Dear Colorado Community Partner,

On behalf of Boys Hope Girls Hope of Colorado, I am writing to request a donation to be auctioned off at our annual Hope Challenge Golf Tournament on Monday, June 11, 2018 at Colorado Golf Club. It is a scramble style tournament that will sell out at 128 golfers, with an additional 50 in attendance at our auction and awards presentation.

Proceeds raised by this event will be used to assist Boys Hope Girls Hope of Colorado's general operations and further improve our scholar's development. A 501 (c)(3) non-profit organization, Boys Hope Girls Hope of Colorado gives at-risk youth arms-around care, safe environments, first class education, opportunities to learn more about themselves and spiritual support through college. Boys Hope Girls Hope empowers children to realize their full potential.

Boys Hope Girls Hope of Colorado was established in 1993 and has provided over 216 scholarships to young men and women of potential. The Girls Hope home opened in 2010, with its first two scholars graduating college last spring! The organization has grown to include a non-residential component, focusing on college preparation. The non-residential Academy Program at Aurora Central High School launched in 2013 and now serves 48 scholars. There are now 26 collegians supported by BHGH.

Thank you in advance for your consideration and donation to the 2018 Hope Challenge Golf Tournament and for helping us to end the cycle of poverty through education.

Best,

Morgan Lewis
Development Associate
